RETREAT CONTRACT AND LIABILITY RELEASE

You need to take this Retreat entirely of your own free will. Guruji Grace Love and other staff will be giving suggestions and support during the scheduled time of the Retreat, and in preparation for it as well as follow-up afterwards, only for the purpose of your spiritual experience and integration. While many people have found these suggestions helpful, this advice should be considered spiritual, intuitive, and philosophical. In no way should you follow it if your own internal knowing disagrees, or if a licensed medical doctor or other licensed health practitioner has given you apparently different advice. Discuss such situations with Guruji.

I agree to follow the above instructions, and to pay The Ashram of Enlightenment for the time engaged. I understand that the 50% deposit and all other fees are non-refundable and that the balance is due in full once I arrive. If necessary, other arrangements are possible if mutually agreed upon **prior** to arrival at the Intensive. I understand that additional charges for transportation from and to the airport, etc., are my responsibility. I agree to release any of these facilities and their staff from any responsibility beyond providing the basic services contracted.

I have read and understood this contract and agree to comply with the above instructions. I am entering into this Retreat of my own free will, and release Guruji Grace Love, The Ashram of Enlightenment, Dharmasala and the Hermitage Retreat Centers, all staff members and the owner of the property housing them from any legal responsibility for whatsoever.

I freely agree to willingly follow the Retreat Agreements.

For Your Information:

All data you share on this application, in personal interviews with Guruji Grace Love or other Retreat staff before, during, and after your Retreat is only for the purpose of staff supporting you in your spiritual growth and your meditation. It is for the use of staff, and occasionally may be presented in a more general way among the Retreat participants as part of the group process, and very occasionally in confidence with other spiritual teachers, consultants, healers, and counselors around the United States and Canada who informally serve the Ashram to serve you.

If you have particular confidentiality issues around certain subjects, please discuss this ahead of time with Guruji prior to your arrival for your Retreat. She will assist you with coming to a choice that will support you, and yet not deprive you of the assistance of the group process or consultative expertise.

You may want to consider a private Retreat with her if this is a major concern.

It will support your Enlightenment Intensive to mail, email to Guruji@EnlightenmentAshram.com or FAX to 928-649-3335 this contract at your earliest convenience. (Please call before faxing as this number is also a phone line.) Thank You.

Enlightenment is Your Destiny.
